

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 135 - SB 613

March 13, 2013

SUMMARY OF BILL: Specifies the process for amending an initial growth plan by local governments and the local government planning advisory committee.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Pursuant to Tenn. Code Ann. § 6-58-104(d), after the initial growth plan is approved by the local government planning advisory committee, the plan shall stay in effect for not less than three years, and then may be amended as often as deemed necessary by the county and cities.
- This bill would establish a specific process for any amendments to such plans and require the changes, once the amendments are approved by the local government planning advisory committee, to remain in effect for not less than seven years before initiating another revision process.
- The bill also establishes a process for amendments proposed by local government leaders under certain circumstances.
- It is estimated any changes in procedures for the amendment process will not result in any increase in local government expenditures.
